RESPONSE TO RESTRICTION REQUIREMENT

MS AMENDMENT
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Applicant has reviewed the Restriction Requirement mailed February 17, 2005, wherein the Examiner has required restriction to one of the following inventions under 35 U.S.C. 121:

- Species I: FIGURE 1 (Claims 1-16, 19-33)
Species II: FIGURE 3A-3B (Claims 17-18, 34-49)
Species III: FIGURE 5 (Claim 50)

Applicant provisionally elects, with traverse, Species I: FIGURE 1 (Claims 1-16, 19-33). Applicant reserves the right to file divisional application(s) on the non-elected claims, and to reintroduce those claims withdrawn from consideration upon allowance of a generic claim.
